# UniFighters Comic Worksheet

Help the UniFighters by creating your own Comic to share prevention information you think is important with other students.

## Directions:

1. Pick a concept from the PALS Program: Understanding Differences and Learning Styles, Drugs, Alcohol, Peer Pressure and Healthy Choices that is important to you.
2. Develop a comic about it.
3. There are many styles of comics and you can work with any style you choose. You could make a one panel cartoon, a three or four panel strip, or a short comic book.
4. Use this worksheet to organize your ideas and do quick sketch of your comic.
5. Produce your comic on good paper with ink and/or color.

## Planning your Comic

1. I am going to write a comic about something in this area.
