

# EFFECTS OF TOBACCO

Name \_\_\_\_\_ Date \_\_\_\_\_ Class Period \_\_\_\_\_

## Smoking Lung Experiment Science Report

List the materials required for this experiment.

---

---

---

What will be done during this experiment?

---

---

Hypothesis: (What do you think will happen?)

---

---

---

Observations: (What was done and what did you see happen)

---

---

---

---

---

---

---

# EFFECTS OF TOBACCO

Name \_\_\_\_\_ Date \_\_\_\_\_ Class Period \_\_\_\_\_

## Smoking Lung Experiment Science Report (Continued)

Conclusion: (Why did this happen?)

---

---

---

---

---

Application of Knowledge: (What does the information learned from this experiment tell you about the effects of smoking on the human body?)

---

---

---

---

---

---

---

On the back of this sheet, draw a picture of the experiment.
