

# EFFECTS OF TOBACCO

Name \_\_\_\_\_ Date \_\_\_\_\_ Class Period \_\_\_\_\_

## Smoking Lung Experiment WRITING RESPONSE

What is your hypothesis (what do you think will happen)?

---

What was put into the clear bottle?

---

What happened when the cigarette was lit?

---

---

What happened to the cotton?

---

---

How is the cotton like the tissues and cells in the lungs?

---

---

Does smoking harm the lungs?

YES

NO

How do you know?

---

---

On the back of this sheet, draw a picture of the experiment.
