

# EFFECTS OF ALCOHOL

Name \_\_\_\_\_ Date \_\_\_\_\_ Class Period \_\_\_\_\_

## Egg Experiment Writing Response

What is your hypothesis? (What do you think will happen to the eggs?)

---

---

What did you pour into the beakers?

---

---

What did you do with the eggs?

---

---

What happened to the eggs?

---

---

How is an egg similar to or like the cells in your body?

---

---

Can alcohol harm the cells in your body? Why or why not?

---

---

On the back of this page, draw a picture of the experiment.
